BP4048BSP PALLET

Light-weight single sheet thermoformed plastic construction for durability and long life. Interlocking pallet legs create stable, safer stacks. The BP4048BSP pallets significantly reduce the costs compared to expensive and heavy one-way bulk containers and can last for hundreds of trips. Standard color: Black

FEATURES/BENEFITS

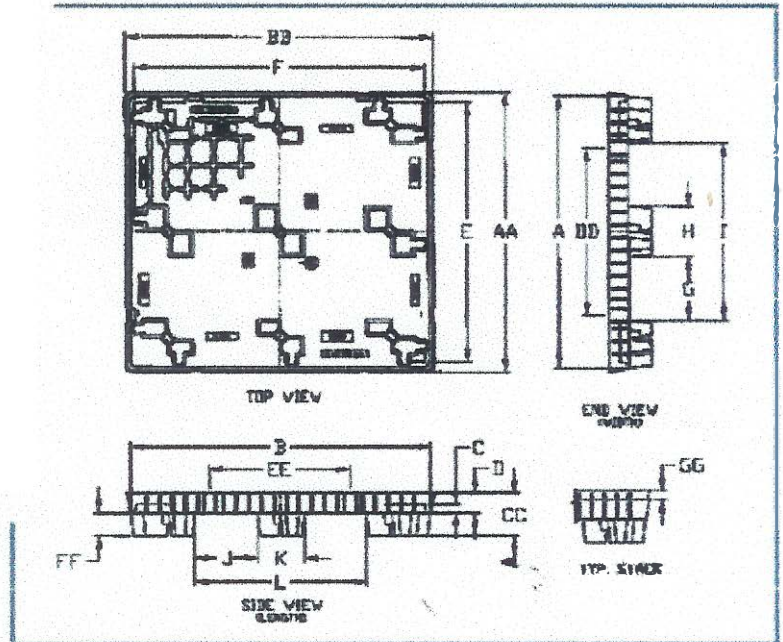

- Four-way entry for quicker more efficient handling
- Interlocking pallet legs for secure stacking
- Light-weight to reduce shipping costs
- Fully nestable to save space on return shipping and storage
- Top and bottom pallets are interchangeable - less inventory
- Weather resistant – resists UV rays

OPTIONS

- Custom color(s)
- Color stripe(s)
- 8 Logo areas: Allows customized, molded art on top surfaces
- Leg drain holes eliminate water accumulation
- Sleeve Lock locations for package/unit security
- Alternative identification options available by contacting Customer Service
